Full Touch ID Series 4

Introducing the Full Touch ID Series 4 — the result of extensive research and innovation, designed to perfectly complement our latest ID 2 and ID 4 Series ovens. With its intuitive full touchscreen interface, navigating functions and recipes is effortless, offering a seamless cooking experience every time.

Compact yet powerful, these microwaves combine cutting-edge design with technical innovation, making them the ultimate solution for those who seek both style and performance in their kitchen.

Elevate your cooking with the Full Touch ID Series 4, where technology meets elegance.
